Kids' Camp is a computer day camp for children ages 11-14. The hours are the same as the conference workshop sessions. Fifteen spaces are available on a first come first serve basis. Lunch and breaks are the responsibility of the parents. Cost per child is free for one child per participant. Additional children from the same family will be at a cost of \$50 per child for the two days, and spaces for second children will only be accommodated on a first come first serve basis after June 8. Payment for Kids' Camp, if required, will be made at the conference.
